Discover one of Europe's most pristine destinations – Portugal. Begin by exploring the capital city of Lisbon for 2 days & nights, then proceed to Porto at the mouth of the Douro River, the river of gold. The river takes you on a winding easterly course between steeply terraced vineyards, stopping at ports of call with charming town squares, colorful castles, baroque mansions, historic monasteries and the medieval city of Salamanca in Spain. See unspoiled vistas and sample Portuguese specialties like salt cod, hearty soups & stews, and of course the area's sensational port and tawny wines. The members of our 2013 tour to Portugal and Spain, on land, will especially enjoy seeing these different parts of Portugal, and from the river for the best views. And stopping in the villages for a tour, along the way on the River of Gold.
